

Perrault Lake Fishing Regulations –Trophy Release Program

We are committed to the **Trophy Release Program**, which means that all the big fish/optimum spawning fish are released to protect and sustain the quality, strength and vitality of Perrault and surrounding lake’s fish populations. We have embraced this policy since 2006. As a result, our fisheries are healthy, abundant and more exciting than ever!

For more information on Ontario Fishing Regulations, you’re welcome to call or email anytime. You can also visit www.mnr.gov.on.ca

Fishing Licences are available online, at the lodge, as well as at our local convenience store –half a mile North. <https://www.huntandfishontario.com/>
